ABOUT ME

'Sally Hall Vocals will provide top quality entertainment with her unique, rich vocal styles creating an original performance experience.'

Hi, my name is Sally. I am a professional vocalist, specialising in weddings and events. I have a vast experience entertaining within the care environment and offer a range of shows and performances to care homes, touring across the UK.

I began to offer my performing skills within the care environment in early 2022. I wanted to give something back, performing for residents with a unique, joyful, and fun theatre experience that they would get at the West End, but in the comfort of their own home! With the various shows offered, I encourage residents to get involved, engaging them with questions, classic songs from different genres that they will know, can clap, dance, and sing along to! We always have such a great time! Shows incorporate a positive entertainment experience, staging, choreography, and audience participation!

Whether it be for a National Celebration Day, an event, or a summer party. I can produce shows that will suit every occasion and everything your residents are keen to watch and listen to. Singing classic songs by Vera Lyn or a musical theatre sing along, even some classic old time music hall songs, my repertoire covers all genres to provide a memorable performance for residents to enjoy.

My grandparents have been a huge inspiration when it comes to creating my shows. Expressing their own love for music and the genre's they enjoy; this has helped me to adapt my shows ensuring there's something for all residents to enjoy. If this is of interest to you, please get in touch. I offer weekly touring shows and would be more than happy to visit your area.

"The Show Must Go On"

“Unfortunately on our Resident Christmas show day we had a power outage at the care home. Sally however was truly amazing and a true professional, she was determined to ensure the Resident’s had the best experience possible and performed the show without her microphone or backing tracks. Everyone had a fabulous time and really enjoyed Sally’s performance – we would highly

recommend her!
